DRAFT:	Keel up 2.00m - down 3.5m
LOCATION:	Auckland, New Zealand
PRICE:	NZD\$ 1,100,000.00

General Description

This one owner Elliott Tourer is a performance Pilothouse Cruising Yacht commissioned by a very experienced yachtsman. It has ocean going performance with full cruising amenities. The added attraction of the pilothouse configuration, not only gives protection from the elements, but also a voluminous, lounging area. The yacht takes full advantage of this by integrating the cockpit and pilothouse on a similar level, creating a natural indoor – outdoor flow and delivers a stunning 360-degree view outside whilst seated inside the saloon.

The rig is moderate sized with double swept spreaders and top mast backstay allowing it to remain well balanced on all points of sail. The high volume, low drag hull shape has a bulb keel to give stability in all conditions. The keel and rudder are optimised to ensure the correct amount of lift with low drag. Additionally, it is easily handled by two people and also ideal for short - handed coastal or blue water cruising.

Principal Dimensions

LOA: 16.30m (53ft 10")
DWL: 14.38m (47ft 6")
Beam: 4.80m (15ft 7")
Draft Keel Up: 2.00m (6ft 7")
Draft Keel Down: 3.50m (11ft 7")
Displacement: 13500 kg (29,700 lbs)
Ballast: 4,500 kg (9,990 lbs)
P: 18.50m (61ft 0")
I: 19.85m (66ft 6")
J: 6.33m (20ft 10")
