### General Description

16.5m Launch built by Salthouse in New Zealand and launched in 1989. This vessel has been owned since new by a very knowledgeable professional skipper and maintained to a high standard. Powered by twin Detroit Diesel 6V92TA's rated at 375 BHP each, giving an economical cruising speed of 9.5 knots with a top speed of 20 knots. Capable of cruising offshore and proven off the rugged West Coast of NZ. Accommodation for 5 in 3 cabins, large saloon with galley adjacent, finished with Teak trim throughout. Professionally built to NZ Marine Department "Extreme Limits" specifications. Vessel is in current MNZ Survey, 4 yearly survey will be renewed late October 2014, along with anti-foul and hull polish. Currently being put into MNZ MOSS system.

Designer: Bob Salthouse

Launched: March 1989
